

## Our Staff

We are family.....

BroadSouth Communications, Inc., the parent company of radio stations WDXX and WHBB, is proud to introduce one of the largest professional broadcasting staffs in the southeast. Few radio stations, even in the top 50 markets, have a staff or studio facilities equal to ours. Over 25 full and part-time folks combine their efforts to give Central Alabama listeners the most complete coverage of NEWS, SPORTS, EVENTS, and ENTERTAINMENT.

People listen to local radio because they want local information. This large staff exemplifies our COMMITMENT to provide Central Alabama listeners with TOTAL LOCAL COVERAGE.
